

KAVIN SHANTANU

QUALITY ENGINEER

CAREER OBJECTIVE

Seeking opportunity in an organization that has scope to enhance my knowledge & skills in accordance with the latest technologies and be a part of the team that dynamically work towards the growth of organization

TECHNICAL SKILLS

- Agile and Waterfall Methodology
- Functional, SIT, E2E & Regression Testing
- API Testing: SOAP, Postman and Swagger
- Test automation: Selenium (Java) & Cypress (Learning)
- Netcracker BSS
- Jira skills: Xray-based test case management, building dashboards, and creating/tracking tickets
- Monitoring: Netcracker TOMS and Jenkins
- No-code prototyping using GitHub Copilot and Cursor

CERTIFICATION & PROJECT

- ISTQB Certified Tester Foundation Level
- Google Cloud Digital Leader
- Custom Java Selenium Suite (Work in Progress)

PROFESSIONAL BACKGROUND

E-Commerce Platform

COMCAST | AUGUST 2021 - DECEMBER 2022

- Worked on Agile Projects with hands on experience in creating task for sprint in Rally and attended Sprint Planning, Scrums and Sprint review meetings.
- Proficiency in Functional, Smoke, Regression and Automation testing and maintenance.
- Experience in building C# Automation scripts by using Selenium and Spec flow.
- Familiarity in working with Git, Swagger and Kibana.
- Experience in testing applications on various browsers and mobile devices, including mobile app testing on iOS and Android.
- Experience in Defect tracking and management using Rally and JIRA.

Telecommunications

VMO2 | JANUARY 2023 - TILL DATE

- Managed the end-to-end (E2E) testing lifecycle for Waterfall projects, successfully creating test case design, low-level step creation, test data setup, and comprehensive E2E execution for major project deliveries.
- Utilized Jira for test case import, dashboard creation, and the efficient management and tracking of defects (JIRA tickets) throughout the software development lifecycle.
- Gained proficiency in core telecom testing procedures, including MPN Portability and Migration, by performing System Integration Testing (SIT) and E2E testing across various platforms and services.
- Developed proficiency in Netcracker testing procedures and crucial log monitoring to proactively identify and troubleshoot issues in complex telecom environments.
- Contributed to building Java automation scripts by using Selenium and Cognizant's Craft framework
- Executed and maintained comprehensive API tests using Postman and SoapUI for both REST and SOAP services, ensuring reliability and integrity across critical backend telecom systems.
- Developed a Test Script to validate data transformation, specifically the conversion of JSON to XML and XML to JSON, leveraging AI-assisted coding tools like GitHub Copilot and Cursor.
- Demonstrated strong collaboration skills by effectively partnering with development, product, and business teams to ensure alignment on requirements and successful project delivery.

ACADEMIC HISTORY

Sri Ramakrishna Engineering College

BE IN EEE ENGINEERING | 2017 - 2021 | 87%

PROJECT SUMMARY

- Project Name : Comcast Telecommunications
- Role : QE&A
- Application : Comcast BCP (Web/Mobile Application)
- Period : August 2021 - December 2022

Supported the e-commerce self-service portal by executing Unit, Acceptance, and Regression testing within Agile sprints. Built automation scripts using Selenium with C# and performed backend API validation via Swagger to ensure seamless application performance

- Project Name : Virgin Media O2
- Role : QE&A
- Application : Netcracker 360 and Digital Front End
- Period : January 2023 - Present

Ensuring quality delivery for the Netcracker 360 and Front End platforms with SIT, E2E, and Regression testing. Using Selenium (Java), Postman, and SOAP UI for automation and API work, along with AI tools to improve script development. Handling defect tracking and test activities in Jira.

INTERPERSONAL SKILLS

- Ability to rapidly build relationship and set up trust.
- Confident and coordinated.
- Adaptability to dynamic environments.

PERSONAL DETAILS

- Date of birth : 04-09-1999
- Gender : Male
- Hobbies : Gardening and Tinkering
- Languages Known : English and Tamil

DECLARATION

I hereby declare that the above information is true to the best of my knowledge.

PLACE: COIMBATORE
